Blackjack sees the main blackjack game play out as normal, but with the addition of the Blazing 7s side bet.

Blazing 7s Blackjack Rules

The amount you stake is independent of the bet you place on the main blackjack game.

It can be as high or low as your bankroll, or the table limits allow.

You win cash if one of your two starting cards or the dealer's upcard is a seven.

The money can then increase even more if you have three sevens of the same color, or, best of all, three of the same suit.

Your Blazing 7s side bet winnings are paid out irrespective of how your main hand fairs.

In other words, you could bust your main hand or be beaten by the dealer but still make a nice profit from landing one or more 7s.
