All gambling providers in Britain must provide consumers with this option, allowing any customer who has followed the procedure to request self-exclusion to be refused service and prevented from gambling during this time period.

Please then consider also calling the National Gambling Helpline on 0808 8020 133 who can offer you free, confidential advice and counselling as our experience is that self-exclusion can be helpful but will be more effective if you also give us a call.

It is up to you to keep to your self-exclusion agreement but the company and the staff will do all they reasonably can to help you.

You can self-exclude from either each separate company you might gamble with, or from multiple companies at the same time.

Online, look for the "Responsible Gambling" or "Safer Gambling" section of the website, or the help section.

You can nominate from a single arcade or select a number of arcades you wish to self-exclude from.

Betting shops / Bookmakers

To self-exclude from licensed bingo premises across Great Britain, the quickest way to register is at your local bingo club.

California is no exception, as online gambling is currently in a gray area, with

many people confused by the current laws and regulations.

Here's a quick rundown of the legality of online gambling in California and

how to find the best online casinos .

The Legality of Online Gambling in California

While there are no explicit laws prohibiting it, there are some laws that could

be interpreted as such, such as the Unlawful Internet Gambling Enforcement Act

of 2006 (UIGEA)
