Reputation and Track Record A good indicator of a good casino is happy players

who praise it online, so we pay close attention to what other users are saying

about it.

Verification from a trusted third party is a must, so we look to see whether o  
rganisations like eCOGRA have audited the casino.

Licensed and Regulated Online casinos must operate with a licence from an off

icial regulator like the Gambling Commission in Great Britain, the Malta Gaming

Authority, or Curacao eGaming, so we only include sites that hold one.
