The following sites are great for football BTTS betting, which means both teams to score, or goals galore.

Each of these sites have great football offerings, so naturally BTTS is available as standard.Goals Galore

Goals galore is a type of bet requiring both teams to score, it's the expectation that there will be a flurry of goals resulting in both scoring at least once.

Whilst it has been available in various types of markets over the years, both teams to score was made popular by Betfred offering the in-shop goals galore specials on match day coupons.

Football Betting As Standard

Both teams to score is now an expected market, so whilst these sites are great for BTTS, it's quite a common market nowadays and should be included as a minimum with whoever you decide to bet with.BTTS And More

The great thing about both teams to score, is it makes a good base bet for bet builders or variations, which increase the odds.

So both teams and win is an additional market where you add the win event on top of both teams scoring, you can also find BTTS and over 2.
