Ways to Make Money Selling on Amazon

## 2. Amazon FBA

I did this years ago when I graduated college. I wanted to write a guide for students with tips about saving money and avoiding excessive student loan debt. Amazon takes 15 percent cut when you make a sale. You can also take advantage of

FBA if you're selling items at a higher volume.

If you're looking for legitimate work-from-home jobs, Amazon is one of the top

employers providing quality remote job opportunities. Most of their positions

are customer-service based but there are also other technical positions that require

some experience.
