Baccarat History - Learn About One of The Oldest Card Games

Cards were dealt by four dealers, each player could be the banker, and players could place bets against fellow players and against the house.

In today's game there is one dealer, bets are typically placed against the house, and the house also fills in the banker role.

King Charles VIII and his noblemen loved the game, and Chemin de Fer remained a hit with the French aristocracy for centuries.

As more time passed, baccarat cropped up in South America and in the Caribbean, where under the name of Punto Banco, it adapted to the local culture.
