As far as the US is concerned, Delaware is one of the best places to be if you love to gamble on sports.

New Jersey eventually took the matter all the way to the Supreme Court, stating that PASPA was unconstitutional and that the federal government should not be able to legislate each state's sports betting industries.

It didn't take long for casinos and betting outlets to start raking in the dough after sports betting was legalized in the state.

The bad news is that, so far at least, no sites have been launched to make it possible.

The winners were only paid if all three picks were correct.

SCOTUS repealed PASPA in May and Delaware casinos were accepting bets in June. Is Betting on Fantasy Sports Legal in Delaware?

There has been some passing interest in bringing it to the State but no formal announcement has come down yet.

How many Australians do we survey for our ratings? Canstar Blue surveyed 600 Australians for their feedback on the stovetop cookware brand(s) they've purchased and used in the last two years.

Design: the cookware was aesthetically pleasing without compromising on function.
