Ace started out stationed as a runner at the Stardust Race & Sports Book which at the time was the center of the universe for sports betting.

His job was to wait for "buy orders" that came via two-way radios and then get down as much money as possible at the desired price.

Eventually the offshore sports book industry exploded and the game was changed forever on how wiseguys used betting syndicates to get their action down.

The experience was like nothing Ace had expected and he was afforded a front row seat to the "pick selling" industry.

He's been seen and featured on a CNBC sports betting special, a NY Times Magazine expose on sports betting, "The Best of It" sports betting documentary, monthly on the UFC on FS1 Pre-fight Show.

He's also written for Gaming Today and many other publications and newspapers through the years.

As NFAC, Gianni was able to produce profit for subscribers in 2015, 2016, 2017, and is up over +220% on 2018 starting bankroll.

From the most seasoned and big bettors, to the newest and smaller ones, Gianni will tell you with certainty what the most profitable bettors in every sport have

the most money on every day.
