

cheap burberry bags wholesale

In this post, we'll discuss the current state of affairs for Amazon product reviews and how to get those critical first reviews. Amazon uses a complex weighted-average algorithm when calculating the average rating of a product. A product with just one five-star review could potentially have a rating of anywhere from 0-5 stars.

Deviation from mean rating
2 Use the Request a Review Button
Message cannot be customized
6 Request Reviews from Customers Who Have Left Positive Seller Feedback
Amazon now allows you to contact customers who have left a 3-star review or less

There is a contingency on the customer revising the review Flexiside.
