I love them! I love them, they're perfect for summer.

[Image] Promising review: "I am a size 10 and they fit just right.

A high-waisted skirt with a waist and wide enough to give it a little bit of stretch.

Each player places a bet and their hands should be better than the dealer's hand to win.

The game goal is to have the closest score to 21 which is the perfect score or make a better score than the dealer.

The important point is if you exceed the 21, you will be defeated in the round.

Face cards are 10 and any other card is its pip value.Summary:

Ace has two values, those 1 and 11.

The perfect score is made by a combination of an Ace and any of 10 points cards.

If you split your pair, the dealer gives you one card for each hand then you can decide to stand, hit or even double.

If you decide to split your pair of Aces you can receive only 1 card for each Ace.
