Since a Supreme Court ruling in 2018, 30 states and DC now offer some form of sports

gambling.

Three more states have legalized sports wagering but have not yet launched, and

Florida's status is in limbo.

That leaves 16 states with no form of sports gambling.

Morning Brew Insider recommends waking up with, a daily newsletter.

In addition, three more states have legalized sports gambling but have yet to launch

any in-person or online platforms.

See all the states where sports gambling is legal:

You can click on any of the states below to find more information.

Details for each state are from the states, with lots of assistance from Action

Network and Legal Sports Report.
