The only thing better than a good game of football is a good game of chess.

[Image] The greatest thing about chess is that you get to play against one another! You don't have to choose between teams, and you have no problem making your own rules.

It's so fun and there's no pressure to take it easy.

13.

If you've got nothing to lose, you're probably not the most important thing to have in a sport, and that's just a sport you'll never have to take the top spot.

If you've got a huge collection of football shirts, then you're probably not a fan of any other sports.

You're definitely not a fan of a lot of sports, either.

And you

First Person blackjack tables (live/digital hybrids)

Innovative promotions

Anyone that goes over 21 is bust and loses.

Like Lightning Roulette, these blackjack tables add prize multipliers to random cards.

Side bets, such as 21+3 and Perfect Pairs, look great and offer high payouts.

Over the 20 plus years I've been an eBay top rated seller, I've learned

tons of tips and tricks about how to sell clothes on eBay and I'm sharing them with you for FREE!

1. Product Photos

2. eBay Marketplace Research

4. eBay Shipping

There's an extremely emotional component to selling clothes on eBay. IMHO, it's never been more eloquently described than in Jessica Pishko's essay,

Selling My Clothes on eBay Saved Me, One Rating At a Time.

I'm going to shoot straight with you. Selling clothes on eBay takes effort.

You have to source them, research them, take pictures, write descriptions, ship

them, etc. However, you have to do that with any product you are selling on eBay

(or anywhere else for that matter).

4. Skip The No-Name Brand Rule
