Legal Sports Betting in the USA Sports betting is legal in states that have passed legislation regulating the activity.

These exemptions allowed for limited forms of parlay-style sports wagers on specific leagues offered by the state lottery.

Dozens of states have taken advantage of the opportunity to regulate sports betting.

BettingUSA.

Sweepstakes casino sites offer a much safer option for real money players in unregulated states.

The odds are good that online gambling, sports betting, or both will eventually come to most states.

In all such states, online gambling has proven profitable and able to be effectively regulated.
