5.

The signup at the property was pretty standard.

A benefit that does set Caesar's apart from a book like the Wynn is that you do earn Reward Credits and Tier Credits as you would if you placed a bet in one of the Caesar's property sportsbooks.

For a full breakdown of the how Total Rewards ties into their betting platform, we did a full blog on it.

If all of this weren't enough, the Superbook currently has the best rewards program going with every \$3.

The limits are as high as one will find anywhere.

10/2/2019- A variety of movers on our top apps list.

Several are available in the state, but the most popular is the FanDuel-owned TVG.

In a way, the difficulty Florida is experiencing regarding sports betting's legalization provides insight into how hard it can be for any gambling expansion to happen in the state.

As is the case with other large states, Florida struggles with the fact that there are powerful stakeholders that are at odds with one another and are fighting for a larger piece of the proverbial pie.

The tribe has exclusivity on casino gaming in Florida and must be included in any gambling expansion discussion.

Everyone wants a piece of Florida sports betting

But in November 2021, a federal judge ruled in their favor.

Outside entities are also vying for the ability to serve the Florida market.

The initiative failed to even get on the ballot for the 2022 election cycle, but

the Florida Supreme Court already gave the PACs a head start on their efforts for 2024.
